BOWLING—A Family Sport Activity

Bowling is a sport that can be enjoyed by the entire family. Ken and Joy Kellenbarger have been involved with bowling for many years. Their families have been right there with them.

Ken has had 21 perfect scores of 300 and his high series is 826. Joy has a high series of 776 under her belt. Their daughters Rachel, Erica, and Megan also participate in the game.

Joy, Rachel, and Erica have each been winners in the District #3 600 Club Tournaments and have gone on to represent the District in the Buckeye 600 Tournament. Erica was recently recognized for an outstanding high series of 843. She also shot her first 300 game during the 2009-2010 season at Scenic Lanes in Logan, Ohio while bowling with her mother and father.

Many of Ken and Joy's grandchildren are also involved in bowling in the youth leagues at Tiki Lanes in Lancaster, Ohio.

Erica is now the director of the youth leagues bowling at Tiki Lanes. Joy, Ken and the rest of the family are right there lending her a hand while the grandchildren participate in the leagues.

What a wonderful way to keep the families ties bound!

Bowlers to Veterans Link...

Do you know what the BVL is and does?

By: Joy Kellenbarger

Let me share some information about this great organization. The BVL, was founded in 1942 as the Bowlers Victory Legion, by a group of caring and concerned bowlers who promised "We will not forget about the sacrifices made by America's service men and women."

The name was changed in 1972 to the Bowlers to Veterans Link.

BVL is a national nonprofit charity (501(c)3) which supports the neediest veterans. BVL responds to veterans in need - recuperating veterans, veterans suffering from Post Traumatic Stress Disorder and aging veterans - giving them an outlet for the joy, freedom and friendship that recreation and sport can bring. Bowlers to Veterans Link provides arts and crafts programs, music and sports activities, reading materials, board games and much more for recuperating veterans in all 172 VA hospitals.

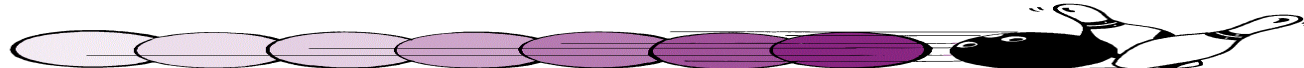

A growing number of WWII veterans in their later years are suffering the often lonely days of long term care. Thanks to you and your donations to the BVL, these often forgotten heroes can enjoy billiards, cards and bingo or even spend their days fishing, bowling or gardening through programs at the State Veterans Homes throughout the country.

The BVL is supported and guided by the bowling industry and the nation's league bowlers. More than 1,200 local bowling associations nationwide participate in the BVL fund-raising effort and coordinate local efforts.

The Bowlers to Veterans Link is America's only national sports organization specifically devoted to veterans with 80% of all money collected being used for the veterans, 13% for promotion and only 7% for the administration costs. BVL prides itself on one of the lowest overhead percentages while the commitment remains to insure that America's veterans are the recipients of the most funds possible.

Are you wondering what happens to the money we collect? The money we collect is donated to the BVL and then is designated to help our local veterans. The monies collected will go to the Chillicothe VA Hospital and to the local Lancaster Clinic to help with whatever our local veterans need.

SEOH USBC Annual fund raiser will be held Nov. 6 through Nov. 12.
Please show your support by participating or donating!
