# The Oldest Leagues in Lancaster

---

The All Star League had its beginning in 1920 at the Lancaster Athletic Club. Carrying a roster of 8 teams thru 1931-32 it was called the LAC All Star League. Dropping to 4 teams from 1935 –1938, the league moved to the 20<sup>th</sup> Century Lanes.

Their opening matches were on September 28, 1938 with 6 teams, now under the name, Lancaster All Star League. The Lancaster All Star came into being through the efforts of Charlie McAnespie, who recruited and organized the original teams, bowled in the league for 36 seasons and served as its secretary for 23 years.

It is among the oldest, continuously active, major scratch league in the records of the American Bowling Congress, covering the United States, and has been listed in the ABC Record Book.

Following close on the heels of the Lancaster All Star League, the Ladies Social League had its inception on October 13, 1938 at 20<sup>th</sup> Century Lanes.

The following women's leagues were formed, the Variety League opened on September 21, 1939, (20<sup>th</sup> Century).

The leagues are still active. The Ladies Social at Tiki Lanes, the Variety League at Lincoln Lanes.

All the above information is from Dan Gilluly's files. His records start in the early 1900's. I will have more in the next issue of Lane Chatter. If it were not for his dedication and the love of the sport, our bowling history would be lost.
