## Welcome Back Bowlers! A message from your President

### President's Report 2019-20

Hello, all you bowling people! Welcome to the 2019-2020 bowling season with the Southeastern Ohio USBC. My name is Joe Austin and I'm your president. If you need any assistance please call me at 740-974-1067. I only want the best for my fellow bowlers!

Something that I would like to stress this year, is that you can help out your Southeastern Ohio USBC without being a board member. Perhaps you would like to volunteer for just one event or just get your feet wet and see how you like it. We are always in need of volunteers to help us achieve our goals. Whether it's fundraising, Lane certification, running tournaments, our charitable endeavors or even some bookkeeping, computer and data entry. Please reach out to me or anyone of my board members if you're interested in helping.

In closing I want to thank each and every one of you for participating and what I consider the greatest participation sport in the world. I look forward to seeing your smiling faces at the bowling alley and hope you will go with us and all our amazing and fun tournaments.

Yours Truly,  
Joey Austin

### Association Manager's Report

First, I would like to thank the Southeastern Ohio USBC Board members for all of their hard work. They give their time, share their knowledge and work to better bowling in our area. I am looking forward to another successful season. You should thank them too.

We have many things planned this season. We hope you will participate in all of our tournaments and fundraisers including "Strike Out Breast Cancer" on Oct. 13 and Bowling for Veterans on Nov. 10.

Your support is necessary for the continued survival. We will change and adapt as well as we can. We have regulations and guidelines that we must follow and we do our best to make sure we comply. Many changes are coming this year. There is a new rule about using liquid cleaners during competitions. This can't be done any longer. Changes will continue and will be addressed later.

Change is part of life. We must continue to adapt and change with it. Being proactive and not reactive is important. There is new management at Tiki. Please consider this as part of the changes we have. Try to maintain a positive prospective on this transition. Give them a chance and see where it goes.

I am closing with a quote as usual for your consideration.

"Don't judge each day by the harvest you reap but by the seeds that you plant."

Robert Louis Stevenson
