Message to our bowlers:

During this time of uncertainty, the Southeastern Ohio USBC is trying to make the best decisions for our members as far as gatherings are concerned. This is why the Spring Brunch was cancelled.

The 2020 Hall of Fame Inductions will be done in conjunction with the 2021 Hall of Fame inductions if there are any inductees at the Spring Brunch to be held in 2021. Many things were considered when this decision was made. We want this years inductees to be able to spend and enjoy an evening with family, friends and fellow bowlers.

As much as we hated to delay this event, we felt that this would make the best sense.

Take care of yourself and others. Stay safe! See you in the fall.
