## Welcome Back Bowlers! A message from your President:

My fellow bowlers, as we set sail into a new season of bowling, it's my privilege to welcome you all to all the great opportunities that await you this season. Summer is great, but there is something special about football games, cooler nights, bon fires, and bowling leagues starting. Your SouthEastern Ohio USBC welcomes you back. This report will highlight some of things we do for you. We honor our past, look to the future, and serve you now.

This year, we will help you fight breast Cancer, help our veterans, and feed the hungry. We not only have a scholarship to give away, but we give SMART scholarships as well. If you have someone you know and love that is a youth bowler, we offer a chance to offset the rising cost of higher education, as well as the vital trade school opportunities. We can help you find education to become a bowling coach.

Our Hall of Fame committee will be meeting to add to our amazing Hall of Fame. If you need info on how to nominate someone, or any questions at all, please ask any board member. Applications are available, but please be ready to give some stats if it's for the Superior Performance, or some background info if it's for Meritorious Service. Our Hall of Fame is not only filled with some the best bowlers from our area, but to the folks who worked and sacrificed for the good of the bowling community.

The SEOH USBC offers you the chance to bowl for our local championships, as well as the State and National tournaments. Some of my best bowling memories are of the great times with friends, the road trips, the great victories, and the shenanigan's after bowling not so great. Just like a great metaphor of life, it's the road we travel, not the destination. We have all the info for all the tournaments! Also, if you need a bowler, ask any one of the board members, and we try to help you out!

Lastly but not certainly not least, we offer youth leagues, tournaments, and coaching. The USBC makes it mandatory that anyone on our board have passed a background check and gets yearly SafeSport training. There is education opportunity to gain coaching certification, if you're willing and wanting to help, just remember, you will have to take the same background and once a year training that our board is required to complete. Our Youth is our future.

Thank you, be safe and no ten pins, Joey Austin

### Association Manager's Report 22 –23 Joy Kellenbarger

Welcome Back! I suppose that everyone has heard the amount to join the SEOH USBC has increased to \$27. As promised 5 years ago, the National dues were increased to \$15 and the Ohio State USBC increased to \$2. We did not increase our local dues, which remain at \$10. Our neighboring association, Central Ohio USBC increased their local dues as well and now they will pay \$30. See, we are a bargain!

We have many things planned for this season. The "Strike Out Breast Cancer Fundraiser" will be held October 23 at Tiki Lanes. Entries are out. We will on November 13, hold a Best Ball Doubles Tournament to raise funds for our Bowling for Veterans event.

The SEOH USBC has some very special board members. I am looking forward to another successful season. You should say thank you to them as well. These board members are volunteers and they give a lot of time to help make sure that your association is running smoothly.

Things have changed and will continue to change. We must continue to be proactive and not reactive. We all must remain positive and flexible.

We hope you will visit our website. [www.seohusbc.com](http://www.seohusbc.com) And be sure to look for us on FaceBook. I am closing with a quote as usual. I used this last season and it seems to be appropriate for this season as well.

*But to discover our strengths. "*
